About Organization

Society for the Upliftment of Villagers & Development of Himalayan Areas (SUVIDHA) is a premier non for profit organization, registered under Section 21 of Societies Registration Act 1860 since 2004.

It has an experience of more than 18 years in the field of Institution Building, Demonstration of Sustainable Agriculture Practices, Organic Process Certification, Promotion of Clean Development Mechanism Technologies (CDM) for Climate Change Mitigation, Women Empowerment, Learning Level Initiatives for government schools, Mother and Child Health Care and Natural Resource Management for Holistic Community Development across 22 states in India.

Project Background

School is not merely a structure or a building. It is not only the assembly of children and teachers. It is a specialized, indeed, a very special place for children to learn and grow. It is a place that shapes their thoughts, one where they can ponder, question and share experiences. It makes them wonder and be creative. It propels them to raise questions and explore answers, identify problems and attempt solutions. School enables children to interact with their environment and give direction to their future. The responsibility of school is enormous. It should have an environment where teaching and learning become joyous experience for both teachers and children.

The Smart Class Integration environment, which includes not only the core study curriculum but also play a crucial role in making the learning experience more meaningful through interactive videos and test modules.

Smart Class is an innovative concept towards qualitative enhancement in elementary education through intervention in school technology infrastructure.

Project Scope

Project can be awarded at any location in Pan India which includes Rural, Semi Urban and Urban.
